Market access to service sector in European countries

22. SHRI S.M. LAUAN BASHA: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether it is a fact that Govemment has not been able to get adequate market access to service sector in European countries;

(b) if so, whether it is also a fact that Govemment has not made concrete proposals in this regard;

(c) if so, in what way does Government propose to use the WTO negotiations to get entries for our software export sector in Europe and Japan; and

(d) the details of any strategy that has been evolved thus far?

THE MINISTER OF STATE IN THE DEPARTMENT OF COMMERCE, MINISTRY OF COMMERCE AND INDUSTRY (SHRI JAIRAM RAMESH): (a) to (d) India is pursuing liberal market access for all its services exports, including software exports, from Members of the World Trade Organization (WTO), as a part of the Doha Round negotiations. In addition to the bilateral request-offer process, India is also engaging in the plurilateral process at the WTO negotiations, and is participating as a requesting member in the Computer Related Services (CRS) group as well as the Architecture, Engineering and Integrated Engineering Services (AEI) group. EC and Japan are also members of plurilateral group on CRS. All members of this group, including EC and Japan, are expected to respond to the requests of other members, by making improved offers to grant greater market access.
